Colonial Latin America

Synopsis

The ninth edition of Colonial Latin America provides a concise study of the history of the Iberian colonies in the New World and their prequest background to the wars of independence in the early nineteenth century. Colonial Latin America is indispensable for students who wish to gain a deeper understanding of the fascinating and often colorful history of the cultures, the people, and the struggles that have played a part in shaping Latin America.

Customer Reviews

The book was well writte. Burkholder did his research. Only thing for me is that the narrative is a typical history. One sided and usually favored to those who conquered and after.

the shortcomings of any textbook. Not particularly well written. Still, I learned a lot I hadn't known before.

school sucks
