Juvenile Justice In America (7th Edition)

Synopsis

Unique in approach, this book presents an intimate look at juvenile justice. *Juvenile Justice in America, Seventh Edition*, provides an intimate look at the lives of juveniles, their experiences in society, and the consequences of those experiences. The text carefully examines the characteristics, procedures, policies, and problems of American juvenile justice systems. The authors also discuss the issues and challenges that must be faced in order to develop more just systems and a more humane present and future for juveniles. The text maintains a balance of theory, evidence-based findings, law, and practice, and provides the most up-to-date material possible.

Customer Reviews

I had to purchase this book for a class I'm taking. It's riddled with inconsistencies, hard-to-follow timelines that often contradict each other, and spelling/wrong word usages. Unfortunately this class requires reading the entire text - which I hate for these very reasons. Examples: pg 13 - "The liberal agenda ended in the 1990s and was followed by the get-tough approach... The get-tough approach continued into the 1980s." pg 53 - "Today the object of criminal punishment can be grouped into seven distinct areas: general deterrence, specific deterrence, in capitation..." pg 66 - "Several studies have found that collective efficacy does function to mediate..." pg 66 - "the McArthur foundation has spent another works \$23.6 million..." pg 85 - "...was strongly related to female desistance. Instead, demisters..."

It's a school book. It does its job. If you need it for school, you better buy it. Worked perfectly on my Kindle.

Great book. Definitely keep it on your shelf because it has easy directory

I agree with the earlier reviewer... This text contains a copious amount of inconsistencies, spelling mistakes and grammatical errors. Is it possible this edition was published before a final edit?!

I thought the book was very informative and up to date. Criminologist and Criminal Justice students would benefit from this book.

I learned a great deal of information from this book, it's a very good read!

Textbook. It fair and informative as it's suppose to be on it's subject.

Good book about the criminal justice system for juveniles.
