**Customer Reviews**

Seeing as this will be a must-have for law students and tort lawyers, I can’t see why the ALI needs to charge $35.

It breaks down torts to the most basic level. It is the book to have in class. You must have it.

Assigned reading. This won’t really be helpful if your prof doesn’t subscribe to the restatement.

Excellent, to-the-point discussion of Restatement, Third.

Good book to break down elements in torts!
