Criminology (2nd Edition) (The Justice Series)

Synopsis

Powerfully illustrated, compelling content. *Criminology* is a user friendly criminology text that teaches students about the exciting field of criminology using the learning skills they already possess. In recognition of the visual orientation of today's learners, we sought to achieve a comprehensive integration of graphic art with the concepts and ideas of criminology. Consequently, *Criminology* is intensely visual. Its layout and design invite readers to explore its pages, which powerfully illustrate the critical concepts that are central to the field of criminology today. Our intent is to visually attract readers to the subject matter of criminology, making for ease of learning.

Customer Reviews

wow this book is wonderful I have had a criminology class before but the book did not touch on a lot things like this book.

really good source of information

It got here super fast & it's in fantastic shape for a great price! Hoping to buy all my textbooks here!

My son took this class and was glad to be able to rent the book :-)

after I finally figured out how to register my Kindle app with , who still hasn't replied to my how to

email...but I finally figured it out and the book is great! love having one less heavy college book yo carry around only question left is how do I get an audio from it

Good book for my Intro to Criminology class.

Just what I needed thanks!

This book is something else, This is a great book, this book got a lot of good facts about the world we live in.
