Animation Magic 2001

Synopsis

Disney's Animation Magic by Disney film producer and animation authority Don Hahn is considered a classic in the field of animation. By drawing upon many of Disney's beloved animated films, the book gives a brief history of animation and then goes on to explore the role of the directors, story artists, songwriters, and animators who each play an integral role in the creation of an animated feature. Now this staple of every Disney enthusiast's library has been updated to include fresh behind-the-scenes artwork from the most recent Disney films, such as Tarzan, Mulan, Dinosaur and Toy Story 2.

Customer Reviews

I am 14 years old and am hoping to become a Disney Animator. This book comes from a very reliable source, Don Hahn (producer of many Disney Films). This book gave me very useful information about what to do to prepare myself to become an animator, and also very interesting facts about what goes into making a genuine Disney Animated Feature Film. I would recommend this book to any Disney fan or future animator

My son thought the book was great!
