Rainy Day Jumble®: A Downpour Of Puzzle Fun (Jumbles®)

Synopsis

For more than 40 years, millions of newspaper readers have delighted in solving Jumble®[®], which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.

Customer Reviews

If you enjoy doing jumble puzzles in the paper, you'll love this book. There are 180 puzzles in this book with a couple of levels of "difficulty". The book is the size of a coloring book, and it has large print - which I really like. I have done over 20 of the jumble puzzle books - I think I like this one the best so far.

I love jumbles. Some days I'll go through 10 pages of them without a lot of trouble. Other times, I just have to set the book aside for a while and come back to it the next day because I'm really stumped. I refuse to cheat and look them up! If you're a beginner, these might be challenging. If you've been doing jumbles for a while, you'll probably enjoy this book without getting irritated very often. I highly recommend it.

I ordered this for an elderly friend. It is not the first one I've ordered in this series, and it will not be

the last. My friend loves these puzzle books because they challenge her to stay sharp and also because they have reasonably large type!

Purchased this book of Jumbles at the recommendation of my psychologist. He informed me that doing Jumbles helps improve my memory. I am making an effort to try to practice several times each week. I believe it is helping. Our memory like any other function needs to be used to stay fit!

I thought there would be more puzzles per page. There was only 1 jumble puzzle on each page. The book itself was very nice and the printing was large, which made it nice. But I really thought there would be more puzzles for the money.

I looked forward every day to find one of these puzzles in the newspaper. Now, it is nice to find these puzzles in a book form. A great item to take when going to an appointment or waiting for someone .

I bought it as a gift for a friend. The free newspaper that contained a weekly jumble is no longer available. She was very enthusiastic about the book and praised it highly. I don't know as I have never worked any of these type of puzzles myself.

I have been following jumble puzzles in the newspaper for years and never found any book that I could buy. My close friend liked to do them too, so when she had a major operation, I wanted to fill a gift basket from all our friends with items I knew she'd like. Of course there was candy, toiletries, gift certificates, jewelry, etc. and a Jumble book. She told me she was over halfway thru the book during her recovery period. In other words, she loved it. I will give her another one of the other two I ordered when she's ready. I'm really glad I found the books. Thanks . R. Mohr
