Justice In Igbo Culture

Synopsis

There has existed the naïve assumption that until the unsolicited advent of colonialism, the so-called "noble and savage" tribes had no legal system worthy of attention. The Igbo people were not exempted from this assumption. Justice itself cannot be realized outside a system of law and its institutions. It is a system in which law is a vital aspect of man's culture and social existence; embodying the collective will of the community and binding the members of that community in a unity of purpose. In all of these, the exercise of reason is essential and indispensable. In the face of the colonial and neo-colonial assumption of the non-existence of law, the evidence on the ground suggests something totally different. If anything, that evidence shows that the assumption was an essential part of the ideology of colonialism and an important psychological armour which, in conjunction with the Bible and gun-powder, helped to bring about the physical, political, economic, and mental domination of non-Europeans. In this book, an attempt is made to elucidate the logical features of some fundamental concepts and phrases related to justice, dispute settlement, and the organization of life and work in Igbo communities in Aniocha north local government area of Delta State.

Book Information

Paperback: 156 pages

Publisher: Malthouse Press (November 1, 2009)

Language: English

ISBN-10: 9788422039

ISBN-13: 978-9788422037

Product Dimensions: 5.5 x 0.4 x 8.5 inches

Shipping Weight: 6.4 ounces

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (1 customer review)
