Customer Reviews

Nice book but the print is not large at all. Printed words are very small and puzzle search words are only a tiny bit larger than printed words. Not good if buying for the elderly.

Getting along with Spanish, the book is in Large print, pure white paper, with a good size. Highly recommended

Entiendo deber - a revisarlo, por que contiene palabras en inglés y creo palabras errneas.

My Mom loves this book, it took away those stressful moments she experienced before, we've ordered more of this kind. Thank you so much.

The type is nice and big, which is much appreciated. I would buy this again, and will most likely buy the entire series of books.

My mama loves these. Keeps her busy. If Mama likes it, you know it's a good product.

Bought this for my parents, haven't used it yet but I know they'll appreciate the bigger writing.

perfect gift for my dad who loves word searches...but spanish is his first language.
