Customer Reviews

I am trying to learn Spanish and since I am a big puzzle fanatic, I thought books like this would be helpful in increasing my knowledge. I will be looking to purchase more and in other languages, because I think it is a great idea to increase your vocabulary.

I was looking for a word search to pass the time while I wait for my son at appointments and this

was a perfect fit. I also study spanish, so this makes it even more fun. The Bible verses are just one more plus. I'm happy with my purchase.

It was a rip off, not enough pages, for the price. I was in Spain last year and purchased several of them for just \$1.00 each and they were twice as thick. I can also get them in the English version just like the ones I got in Spain, at the dollar store also just \$1.00, here in the US

I liked this product. There's a need for more word games in Spanish. Shame I can't find more word searches in Spanish. I wish there were more and with different topics too.

tiene citas biblicas , en los que se encuentran palabras que hay que buscar. IO recomiendo para entrenarse o regalo para personas que esten interesados en leer la biblia

I thought it was a rip off, too expensive, not enough pages, I can get the English version at the dollar store for just a dollar! And twice the amount of pages!

I purchase this for my elderly mom. I'm sure she likes the fact that I was able to find this in Spanish her native tongue.
