Customer Reviews

I have bought at least 10 or more of this book to give to my grandchildren. They all love the magic that I do. I'm now buying one again to give to a 10 year old boy who is mesmerized by magic! It will teach him to be a skilled magician!

A classic on 'no fail' tricks. Solid introduction to magic beyond typical child-like introductions. Some tricks are quite, quite good.

I had this book when I was a kid and I am really happy to find it on .
